LB 117, 191

Pirsch said it will be better to have a broken arm than be exposed to these kind of things. That may be her feeling about it but it is certainly not mine. I have got a book called Pornography and The Law and I ought to let Senator Pirsch look at it. So I thought she had on a red dress. You wouldn't be able to distinguish her from her dress if she saw some of the material in this book, and she would probably wonder how a person could possess a book like this and not run around and snatch up every child that is seen, attempt to rape every woman, and do all of these dastardly things that looking at this material will do.

PRESIDENT: Time.

SENATOR CHAMBERS: I am still opposed to the bill but I am not going to do anything other than speak against it.

PRESIDENT: Thank you. Senator Pirsch, would you like to close on the advancement of the bill.

SENATOR PIRSCH: Forgot I had a chance to speak. I would advance the bill. The only thing left in it is the person to knowingly possess any visual depictions of sexually explicit conduct, which we amended also to describe the section, which has a minor as one of its participants or portrayed observers. I urge the advancement.

PRESIDENT: The question is the advancement of the bill. A machine vote has been requested. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk, please.

CLERK: 30 ayes, 1 nay, Mr. President, on the advancement of LB 117.

PRESIDENT: LB 117 is advanced. Move on to LB 191, please.

CLERK: Senator, the first item on 191 are E & R amendments.

SENATOR MOORE: I move we adopt the E & R amendments to LB 191.

PRESIDENT: You have heard the motion. All in favor say aye. Opposed nay. They are adopted.

CLERK: I have nothing further on that bill, Senator.
